

## ESW

The Transcell ESW is a completely portable balance designed to stand up to the rigors of daily use, incorporating an extremely durable ABS case, an all metal sub-platter, a round stainless shroud and non-skid hard rubber feet. Precision weighing has never been easier starting with a large, LCD display, and full digital calibration. With weighing modes that include g, oz, lb-oz and parts counting, users have the versatility that is needed for a multitude of applications.

# ESW

## PRECISION BALANCE SCALE

### STANDARD FEATURES & BENEFITS
